CELA

Attached is the signed conciliation agreement in MUR 6127. On November 17, 2009, the Commission found reason to believe that VIDA Fitness, Urban Salons, Inc. d/b/a Bang Salon Spa, and David von Storch (collectively "Respondents") violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 114.2(f) by failing to obtain advance payment for a corporate email list used to send invitations to a fundraiser for the Obama Victory Fund, failing to obtain advance payment for beverages served at this event, and soliciting contributions from individuals outside of VIDA Fitness's and Bang Salon's restricted class.

RECOMMENDATIONS

1. Accept the attached conciliation agreement.
2. Approve the appropriate letters.
3. Close the file.
